Special Events

With a total seating capacity of 175, our newest location is our largest to date. The size is grand and the aesthetic is elegant, but it still has Mama's welcoming and casual vibe.

When selecting where to host your special event you have five designated areas to choose from: The Raised, The Fireplace, The Main Dining Room, The Mezzanine, and The Outside Patio.

You may choose a plated dinner, buffet style service, or opt to go with our Pre-Fixe Dinner Selections which makes ordering for a large group easier while also providing an elevated experience.

Our beer, wine, and spirits menu is extensive and our mixologists are ready to craft one-of-a kind cocktails to enhance your event!

Mama's on the Half Shell will work with you to establish your menu selections, confirm any dietary restrictions, and help you to plan for a truly memorable experience.
