Mama's on the Half Shell in Owings Mills is the perfect choice for hosting your family's special occasion, or your company's corporate meeting!

With a total seating capacity of 175, our newest location is our largest to date. The restaurant size is grand and the aesthetic is elegant, but it still maintains a welcoming and casual vibe.

When selecting where to host your special event you have five designated areas to choose from: The Raised, The Fireplace, The Main Dining Room, The Mezzanine, and the Outside Patio.

You may choose a plated dinner, buffet style service, or opt to go with our Pre-Fixe Dinner Selections which makes ordering for a large group easier while also providing an elevated experience.

Our beer, wine, and spirits menu is extensive and our mixologists are ready to craft you a one-of-a-kind cocktail to enhance your event!

Mama's on the Half Shell will work with you to establish your catering selections, confirm any dietary restrictions, and help you plan for a truly memorable experience.
